Call our office or visit our website for future dates and events

This is a great way to:

- Learn more about the issues that plague our neighborhoods
- Build unity for our families and communities

Let us help you navigate systems for services such as: resources, referrals, how to assist yourself or loved ones, provide trainings on recovery and addiction, and also to become advocates and volunteers.

Get information about local, state and national legislation that affects the recovery community.

The day is here when recovery from addiction is not viewed as a curse...
